

# Lively presentation

**DANCE RECITAL:** *Students of Sri Kala Ranga School of Dance at a thematic presentation.*

**A** Bharatanatyam presentation by students of Sri Kala Ranga School of Dance was held on November 4 at the Bharatiya Vidya Bhavan, East Mada Street, Mylapore. The programme was held to mark the first anniversary celebration of the dance school. According to Srithika Kasturirangan, founder of the school, the programme helped to build confidence among the students.

The dance was a thematic presentation called Shree — an Ashta Lakshmi production. In Srithika's choreography, Mahalakshmi was shown to rise while churning the

ocean of milk. The fact that the goddess is worshipped in eight different forms was brought out well. Nearly 30 children in the age group of five to 25 years kept the audience spell bound for one and a half hours. The programme ended with a Thillana.

Srithika is a student of Dr. Ambika Kameshwar (founder and director of Ramana Sunritya Alaya Trust).

She has been learning from her guru for more than 21 years. She runs her dance school at Bheemanna Garden Street and can be contacted at 98412 78757.
